

Breezy SL/TL

Breezy SL / TL

Because quality of
life matters

Quality and reliability

Sunrise produce the highest quality components at an affordable price. The key to succeeding at this has been our parts commonality. Breezy wheelchairs use key components and superior designs from our elite line of Quickie chairs. Castor housings, armrests, backrest posts and footrests are just some of the components that are integrated into the Breezy SL/TL.

High quality T in T extension tubes ensure absolute secure foot support and quick accurate height adjustment.

The backrest is height adjustable for correct posture, comfort and freedom of movement (using a telescoping tube in the rear frame)

Armrests flip-up for easy transfer and close in the blink of an eye

Breezy transit model available

8" x 2" Pneumatic or solid castor (option)
