

QUICKIE[®]
Live without limits.

JIVE[®] F XL

Expanding the Jive Family with the front wheel drive XL version

Accessibility

With a minimum seat to floor height of only 43cm, access into vehicles and under tables becomes very easy.

Transportable

The Jive F XL can easily be transferred into vehicles via regular ramps.

Jay Comfort seat and back as standard, available in three widths: 56, 60 and 64cm. A headrest can be added at no additional cost.

4-pole motors
Heavy duty 4-pole motors for an improved maximum range.
14" solid drive wheels and 9" castor wheels for easy manoeuvring and great outdoor performance.

120 A R-net controller as standard for increased functionality.
Full range of special controls/options.

Fixed centre mount or swing-away legrests
